

REMARKS

Claims 1, 7-13, 16, 18-23, 26 and 27 are currently active.

Claims 2-6, 17 and 25 have been canceled.

The Examiner has objected to the drawings. Corrected drawings are enclosed. Formal drawings will be provided when the application is allowed. The first and second master signals are sent from the master timing control system.

The Examiner has indicated that Claims 6 and 17 are allowable if rewritten in independent form with all the limitations of their base claim and any intervening claims. Claims 1 and 16 are now Claims 6 and 17 written as such.

A certified translation of Friedrich is enclosed.

In view of the foregoing remarks, it is respectfully requested that the outstanding rejections and objections to this application be reconsidered and withdrawn, and Claims 1, 7-13, 16, 18-23, 26 and 27, now in this application be allowed.

Respectfully submitted,

ERIC J. HELMSEN, ET AL.
